1 Introduction

Vidyanjali 2.0 is an initiative taken by the Ministry of Education, Government of India with the aim to strengthen Schools through community and private sector involvement in schools across the country. This initiative would connect schools with varied volunteers from the Indian Diaspora namely, young professionals, retired teachers, retired Government officials, retired professionals and many others.

This manual is intended for the use of various DNOs to manage the users, schools and Volunteers at District Level. Care is taken to explain each role and its functionality in detail.
